Temporary Power and Lighting Solutions for the Tent and Event Rental Industry

CL100LEDG2-W

CL120LED-W

6506GU-W

1201-W

- White color allows the product to blend into the background
- LED Bay Lights are manufactured with High Impact Resistant housing and Wire Cage Guard for durability during transportation, storage, and demanding environments
- LED Bay Lights employ CEP's Original Tapered Panels that throws more light to the floor.
- Spring Loaded Quick Mount Hook on Bay Lights allows for easy set up.
- Bay Light Feed-Through capabilities allow units to be daisy chained.
- 6506GU-W – White Temporary Power Box offers all the UL required safety features to protect personnel and equipment.
- 50-Amp power cords allow for Plug & Play set up from your 10KW or larger sized generator to the 6506GU-W
- 50' and 100' 12/3 SJTW White Extension Cords with Lighted Ends blend into the tent settings.
